AYSO Philosophy

Develop and deliver quality youth soccer programs which promote a fun, family environment based on five philosophies:

- * **Balanced Teams**
 - Reshuffle players and coaches after every season
 - Spread out talent as evenly as possible
 - Spread out grade, age, school, etc. as well
- * **Everyone Plays[®]**
 - Every player plays at least 1/2 the game; or 3/4 game in most regions
 - Substitutions controlled so referee can track per game; playing time per season
- * **Good Sportsmanship**
 - Help players understand mutual respect for opposing players (foul, injury)
 - Set an example of good sportsmanship through parent actions
- * **Open Registration**
 - No boundaries, no restrictions, no tryouts, no skill based divisions -- every able and willing player is assigned to the "same" team.
- * **Positive Coaching**
 - Positive, Instructional and Encouraging (PIE) towards all children
 - Coaches coach (limited), parents cheer
